

From the Desk of the President
Marine Corps League Auxiliary
By Lynn Harkness

March 17, 2017

Detachment Commandants,

I have decided to have an open door for all female relatives our League Members. You will find in on the agenda at 0900 as the President's Coffee.

My plan is to a list of things in the area to visit. Downtown Medina is just a few miles West of where we are staying. Route 18 goes right thru downtown Medina. We have some unique shops such a the Polish Pottery store and a Pet Store. There are six restaurants on the square and a Teas House just off the Southwest end of the square. Near the hotel is Barnes and Nobles, Life Way books, The Mustard Seed, Olive Garden, Thai Restaurant and Dress Barn to name a few.

I will also have information on the auxiliary and applications forms. There will be no pressure to join. If you have a few ladies that would like to join but not enough to start a unit we can accommodate them but assigning them to another unit till they start one in your area.

This is just a get acquainted time and very informal. Of course we will not have a dress code for those attending.

Please share this information with all the men in your detachment.
