

Members of the Ohio Pack,

I'd like to introduce myself --Donald Dearth--as the newly elected Ohio Pack Dog Robber, effective immediately. Make sure to send any and all MODD Dog Robber paperwork to the address listed below. This is a reminder that all Pounds can start collecting dues from your members who are not life members, all dues are due to be paid by August 31, 2017. When you send your dues transmittal to me, be sure to make 2 checks out. One payable to: MODD Kennel for those dues and one payable to: MODD Ohio Pack for the Pack dues. Please do not make them out to me as the Pack Dog Robber. These are the 2018 dues. Let's see if we can get to 100% this year on Pounds getting their dues paid for all members. Pound Dog Robbers please contact all your dues paying members to ensure they know where to send their dues and when their due.

Conduct your Growls and send your Passport fees directly to the MODD Kennel as they do not have to be sent via the Pack. Make your checks out payable to: MODD Kennel and mark Passport fees in memo line.

You can start filing your IRS 990 N e-file after June 30. **Be sure to send me a copy of your confirmation from IRS and send a copy to Kennel Dog Robber Steven Joppa.**

Make sure your current with the Ohio Secretary of State and the Ohio Attorney General with you state business license.

Now is a good time to double check your passport to ensure it is filled out, and you have a picture in it. Plus check the engraving on your dog tag to make sure it's right too.

Here's my address to mail your dues transmittals.
