Subject: Change in Military Funeral Protocol

Marines we can take this to the bank,regardless of what has disseminated on the internet.

If anyone has any questions or comments,I will assist in any way I can,you have but to ask.

**Semper Fi,

Marines,

Im sure you have received emails etc. that have indicated there has been a change issued as applies to Military Funeral Protocol especially the verbiage used when presenting the U.S. Flag to the next of kin. I contacted my US Representative from Michigan (Debbie

Stabenow) and requested her to look into these reports.

For your information there has been NO changes issued as applies to this ceremony and the supporting documentation is attached to this email for your review.

I hope this will quell this fire storm and if you so desire you may check out the Sources on this report.
